

# Roofs

## Product description

### Monterrey™

The Monterrey is our most popular model and fits perfectly with the architecture of detached houses and the surrounding landscape. It has a lower profile for a more tranquil appearance.

### Product applications

- detached houses
- terraced houses
- residential multi-storey buildings
- recreational dwelling

Ruukki is a metal expert you can rely on all the way, whenever you need metal based materials, components, systems or total solutions. We constantly develop our product range and operating models to match your needs.
