#### LOOKING FOR LAMINATE FLOORING that

conveys natural beauty, feels warm and is easier on your feet & back? Let's simplify your life with **Tarkett<sup>®</sup> Free SoundSafe**. With its **SoundSafe** eco-friendly acoustic solution benefiting from proven noise insulation performance, Free SoundSafe will offer you walking comfort & fashion with ethics.

The Tarkett<sup>®</sup> Chic collection stems from a self-assured classiness that allows you to pick up any Chic décor and show unparalleled power of decoration.

POINT

#### FI m th a th h th th th th th th th th

FROM CLASSIC OAK TO SPECIES with more unusual characters, find the one that perfectly fits your warm and cozy approach to interior design. Not only will the Chic designs enable you to grace your home with style, but they also withstand the strain of everyday life. Easy to live with, Tarkett® Chic perfectly illustrates the concepts Tarkett® believes in and wishes to push to the fore: Products that matter, comfort that soothes & style that won't quit.

Longing for an opportunity for serenity? An improvement in quality of life? Welcome to the quiet world of Tarkett<sup>®</sup>'s acoustic solutions and listen to the sound of silence. Simply walk on your flooring and judge by your ears: Tarkett<sup>®</sup> acoustic floorings are up to 30% more silent than a standard flooring. Tarkett<sup>®</sup> takes a stand against noise, and proves that design, resistance and quietness can be brought together in a laminate flooring (tests and values according to EPLF 021029-3).

# The sound of silence

quiet

# strong

# Demand for virtue

Kids playing throughout the house? Let them build, colour, bang, run, jump & play. Even let your pet romp around to his heart's content! Tarkett® Laminate floors will bear up under your steps, and

acoustic

Tarkett<sup>®</sup> SoundReductionSystem features a chlorine-free compact foam with closed cell structure: the outstanding acoustic absorpion properties in the high frequencies of a heavy mass combined with a strong reduction of sound transmitted to the level below.

Tarkett® latest noise-absorbent under-layer made of eco-friendly sound**safe** cellulose fibres given an unprecedented treatment for unheard-of acoustic properties. 100% ecological, 100% degradable, 100% efficient. SoundSafe allows you comfort with ethics.

**Ultra**Base + Tarkett

Either fresh or vibrant, sometimes classic yet always elegant, Tarkett<sup>®</sup> Cool designs will perfectly enhance an interior of discerning taste: a veritably trendy choice for living or commercial areas!

# **Cool: Fashion Flooring**

#### EASY TO INSTALL, EASY TO MAINTAIN,

Tarkett<sup>®</sup> Cool will take punishment at the same time as remaining a hip look for living space, workplace or commercial buildings. Tarkett<sup>®</sup> Cool? Benchmark flooring.

For upscale living and the richness and elegance of timeless floors, Tarkett<sup>®</sup> Smart is today's durable answer for high class laminate. For high class living.

Smart Nature

Smart Original

Smart Optic

SEE HOW SMART AESTHETICS are heightened for ultimate appeal. Perfectly emulating the grainy look of a wooden surface, Smart Nature provides all the beauty of a natural wood texture. The unique embossed-in-register surface of the Smart Optic designs takes the surface texture to the pinnacle of realism whilst the Smart Original matt décors possess the authenticity that rewards your eyes. Thanks to its specially developed sound absorbent backing, Smart SRS will "cover" the noise you no longer want to hear!

The SRS secret lies in the association of the complementary qualities of a Smart flooring with a state of-the-art chlorine-free backing: an extremely resistant laminate flooring with unheard-of acoustic properties. With Smart SRS, there are things you see, and things you don't.

Welcome to Tarkett® Laminate decoration world. Because each décor conveys an emotion, it says something about who you are and what you believe in. Each flooring will echo your personality. It will answer your need for originality and identity. Tarkett® Laminate flooring - reveal yourself.

Inspired by Nature, made by Tarkett<sup>®</sup>. Mother Nature has endowed us with all its marvels, giving us pleasure from the outline, delight from the colour, comfort from the texture. With its delicate textures and subtle finish, Tarkett<sup>®</sup> gives thanks to Nature with bringing laminate to an unprecedented level of style, fineness & realism - not forgetting the extra qualities that make it today's best choice.

Kaleïs is the fruit of Tarkett<sup>®'</sup> s ongoing passion for wood and trust in the resistance and durability of laminate. Coming in single strip dimensions, bevelled – both width and length-, Kaleïs perfectly reproduces the look and feel of hardwood. The flooring dream comes true!

**Proven through intensive** research & testing, Tarkett<sup>®</sup> Select is the guarantee for finest design, superior durability, utter resistance, ease of installation and maintenance. Geared towards the decoration of commercial areas, Tarkett<sup>®</sup> Select is the reliable answer to the tough quality requirements of highest standard flooring. Select is the natural choice.

# Select: Supreme Flooring

SELECT WILL WITHSTAND punishing traffic and prove its decorative worth through time. Perfectly suited for offices & shops, Select outstanding design collection displays trueto-life appearance for design-savvy styles. Tarkett<sup>®</sup> Select? The unique laminate solution.

# Stay relaxed

Tarkett<sup>®</sup> laminate flooring is extremely stain-resistant, making routine cleaning quick & easy. For day-to-day maintenance, all that is needed is a damp mop or a vacuum cleaner. And more! The very nature of our laminate floorings and their surfaces minimises the spread of germs and allergens. These properties provide you with a safe environment and optimal hygiene. Tarkett®? Well-being, well-living.
