Stand apart outstanding exquisite Awaken your senses

**Inspired by Nature, made by Tarkett.**

Mother Nature has endowed us with all her marvels, giving us pleasure from the outline, delight from the color, comfort from the texture. With its delicate textures and subtle finish Tarkett® gives thanks to Nature by bringing laminate to an unprecedented level of style, fineness & realism – not forgetting the extra qualities that make it today's best choice.

**Pop Art** by Tarkett® aims to turn the popular ordinary items of the laminate world into art. Be part of the rebellion against all accepted styles! The Pop Art designs will bring art into your home decoration, into your life. With Pop Art by Tarkett®, express the excitement and spontaneity in your everyday life. Be Pop Art.

## practical Stay relaxed

**Tarkett® laminate flooring is extremely stain-resistant, making routine cleaning quick & easy.** For day-to-day maintenance, all that is needed is a damp mop or a vacuum cleaner. And more! The very nature of our laminate floorings and their surfaces minimises the spread of germs and allergens. These properties provide you with a safe environment and optimal hygiene. Tarkett®? Well-being, well-living.

## strong Demand for virtues

**Kids playing throughout the house?** Let them build, colour, bang, run, jump & play. Even let your pet romp around to his heart's content! Tarkett® Laminate floors will bear up under your steps, and missteps, for a long time. **Tarkett®? No worries.**

**UltraBase +**  
Tarkett

Tarkett's promise for an HDF inner core of superior resistance to marks and dents, great homogeneity and stability, and a special reinforcement for high moisture resistance.

**Techwear**  
Tarkett

Tarkett's promise for a durable, transparent, no-wax, scratch-and-impact resistant surface.

Who has never dreamt of these Loft buildings in which artists from everywhere, from every kind of art would join and make the world change. In this lively atmosphere, serenity derives from the underlying simplicity of line, shape, and form. Tarkett® **Loft** designs perfectly replicate the look, feel and matt aspect of concrete. Soothing, Tarkett® Loft will grant a fresh and decisively modern touch to your home. Because we are all the artists of our lives. Loft by Tarkett®.
