

Sensual Immersion

THE ORIGINALS

LAMINATE

Sensual Immersion!

She travels to exotic, far-flung locales. It is now part of her everyday life. Sometimes even alone. With no compromise on where to go or what to do. Being alone increases the effects of her surroundings. She has a keen appreciation for the world's diverse ecosystem, design and cultural heritage. The world is a garden, a playground. A garden that stimulates all five senses - and perhaps even the sixth. A playground in which she interacts with the world around her, shaping her sense of identity. With Tarkett® Original Floorings, global style is a reality. Indulge yourself in visual excitement. There's sense stimulation everywhere. At home. **Tarkett® Original Floorings: You don't have to be outside to commune with Nature.**

Welcome to Tarkett Laminate decoration world. Because each décor conveys an emotion, it says something about who you are and what you believe in. Each flooring will echo your personality. It will answer your need for originality and identity. **Tarkett Laminate flooring, reveal yourself.**

Stand apart outstanding exquisite Awaken your senses

Inspired by Nature, made by Tarkett.
Mother Nature has endowed us with all her marvels, giving us pleasure from the outline, delight from the color, comfort from the texture. With its delicate textures and subtle finish Tarkett® gives thanks to Nature by bringing laminate to an unprecedented level of style, fineness & realism – not forgetting the extra qualities that make it today's best choice.

Luminous. High-Gloss flooring

Contrasted. Exotic character

Man's skill. True to Nature.

The idea of creating a Garden of Eden at home has not only come to fruition, it has blossomed into the most paradisaical collection of designs!

Tarkett® Eden Fruit'n'Flower, Tropical or Zen collections create a veritable plant paradise... at your feet. It's pure delight at first sight & a feel of authenticity under your feet.

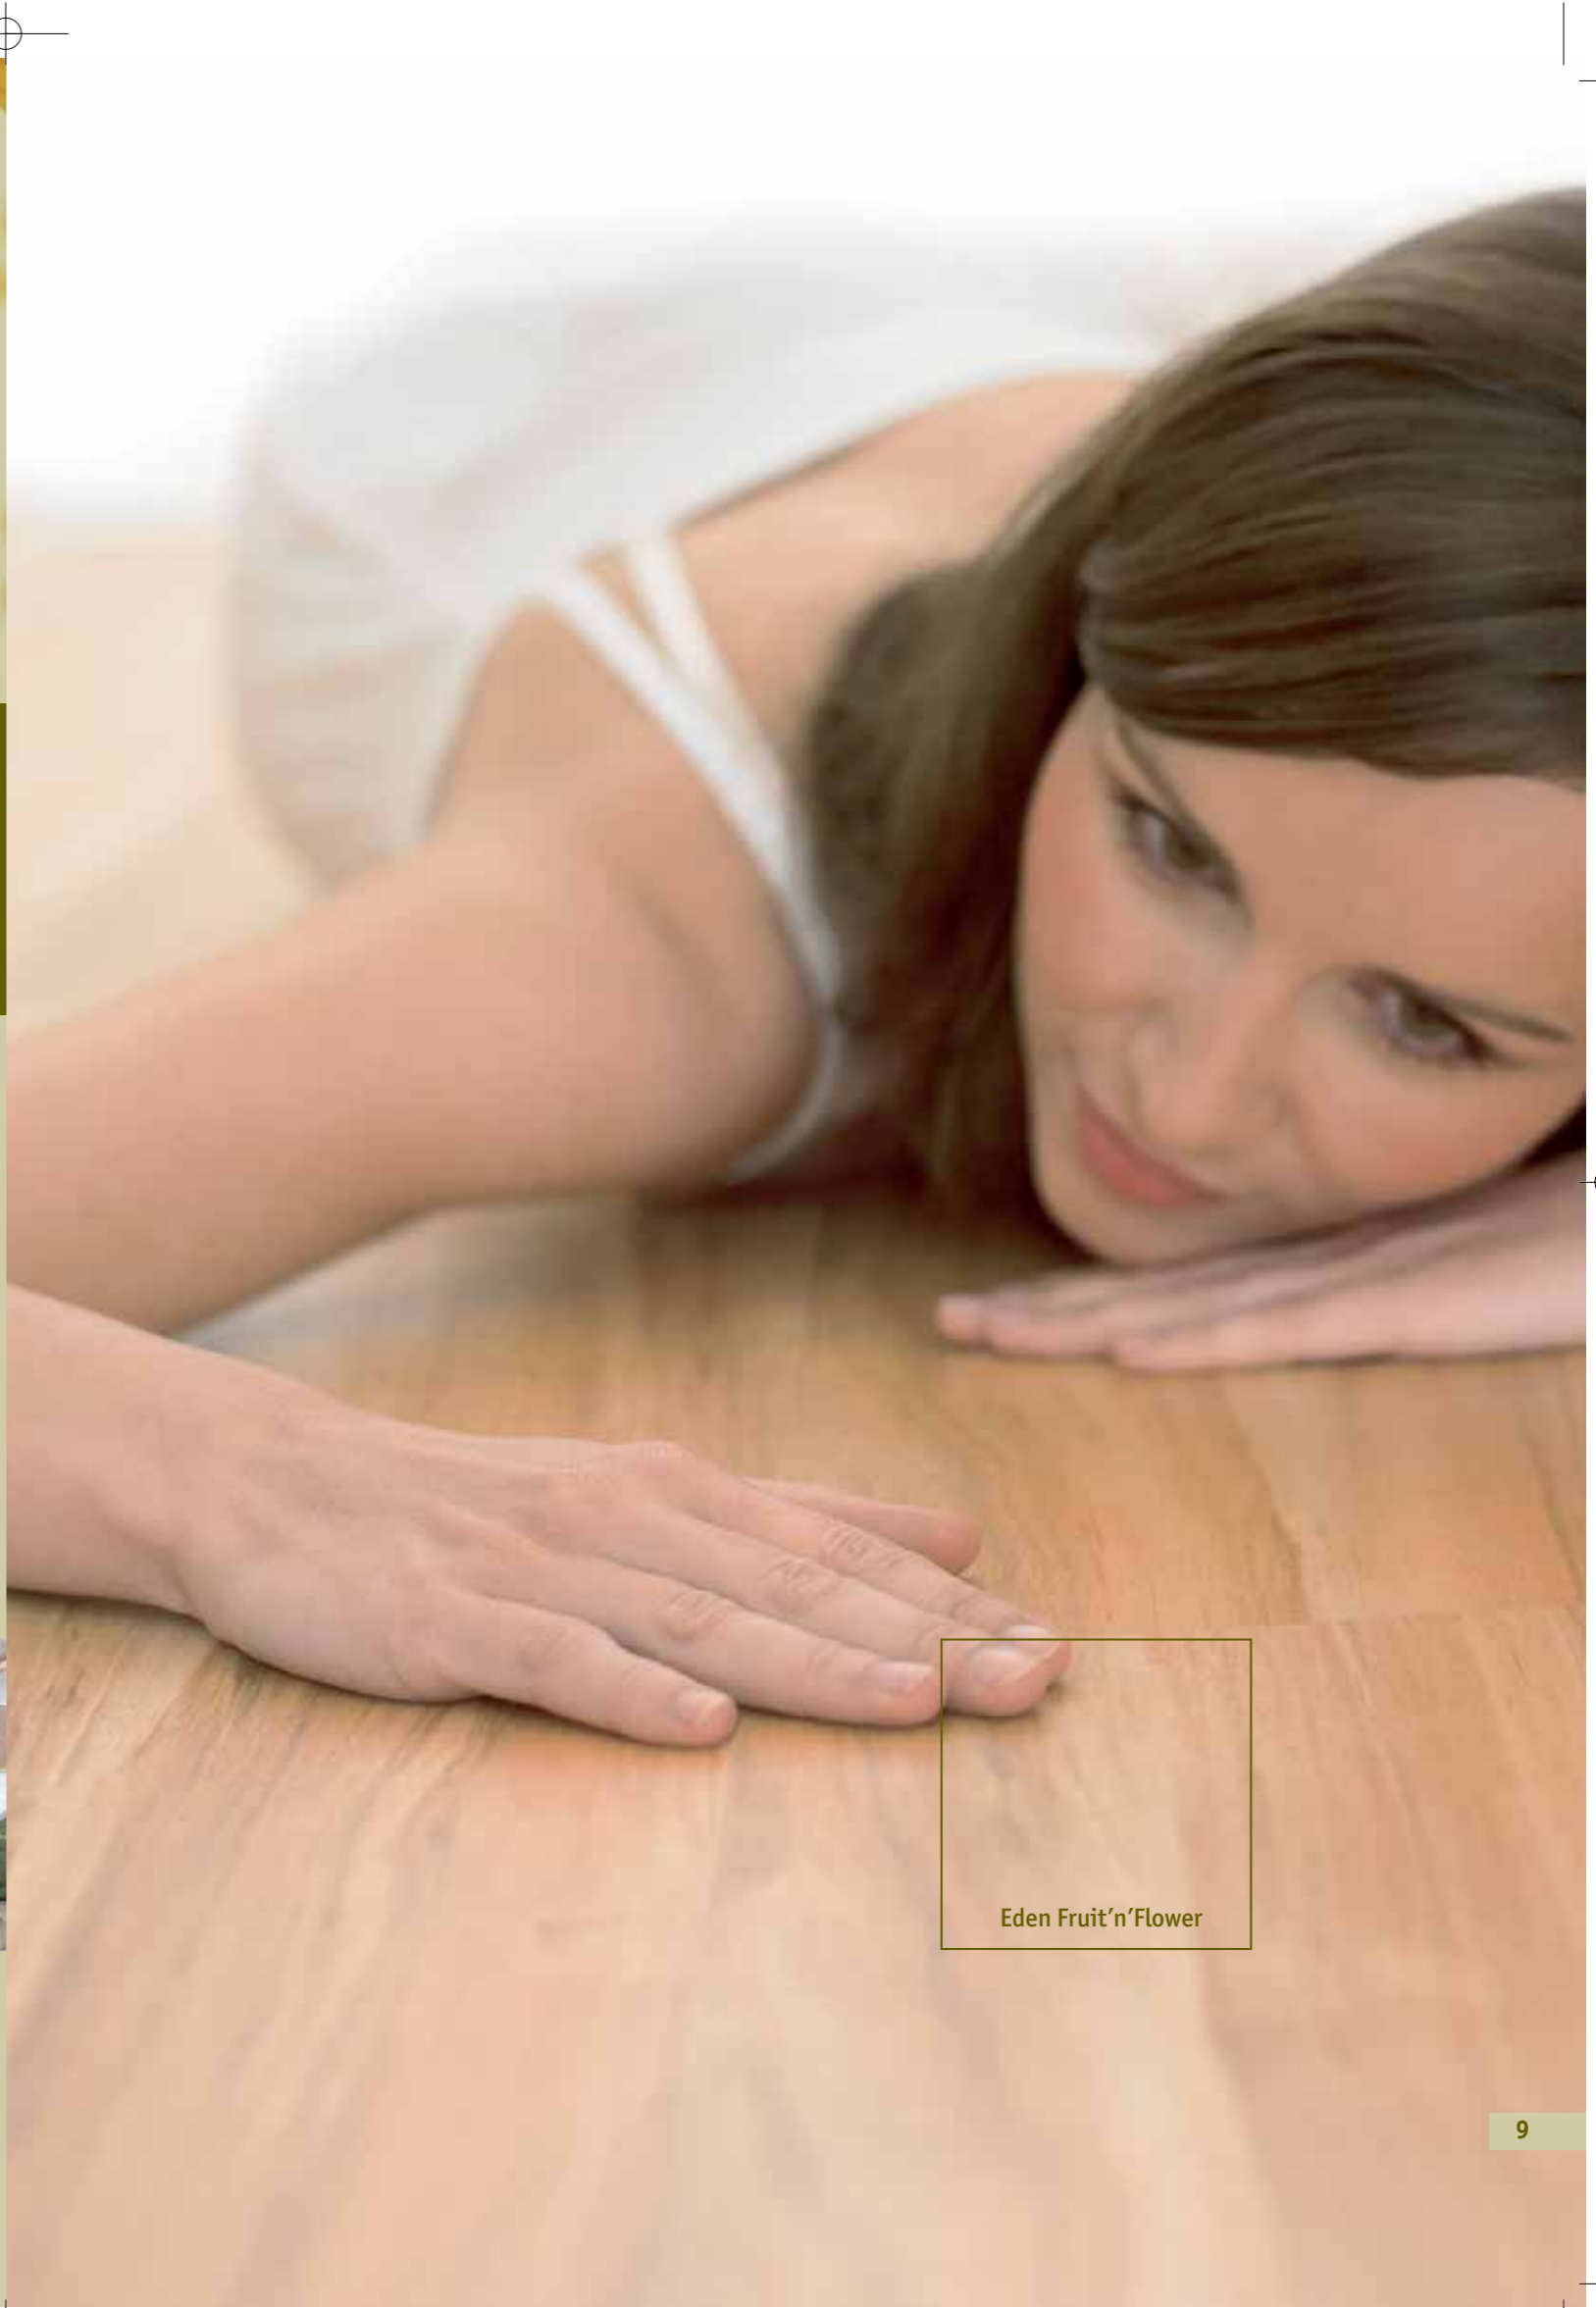

Eden. Brings paradise Home.

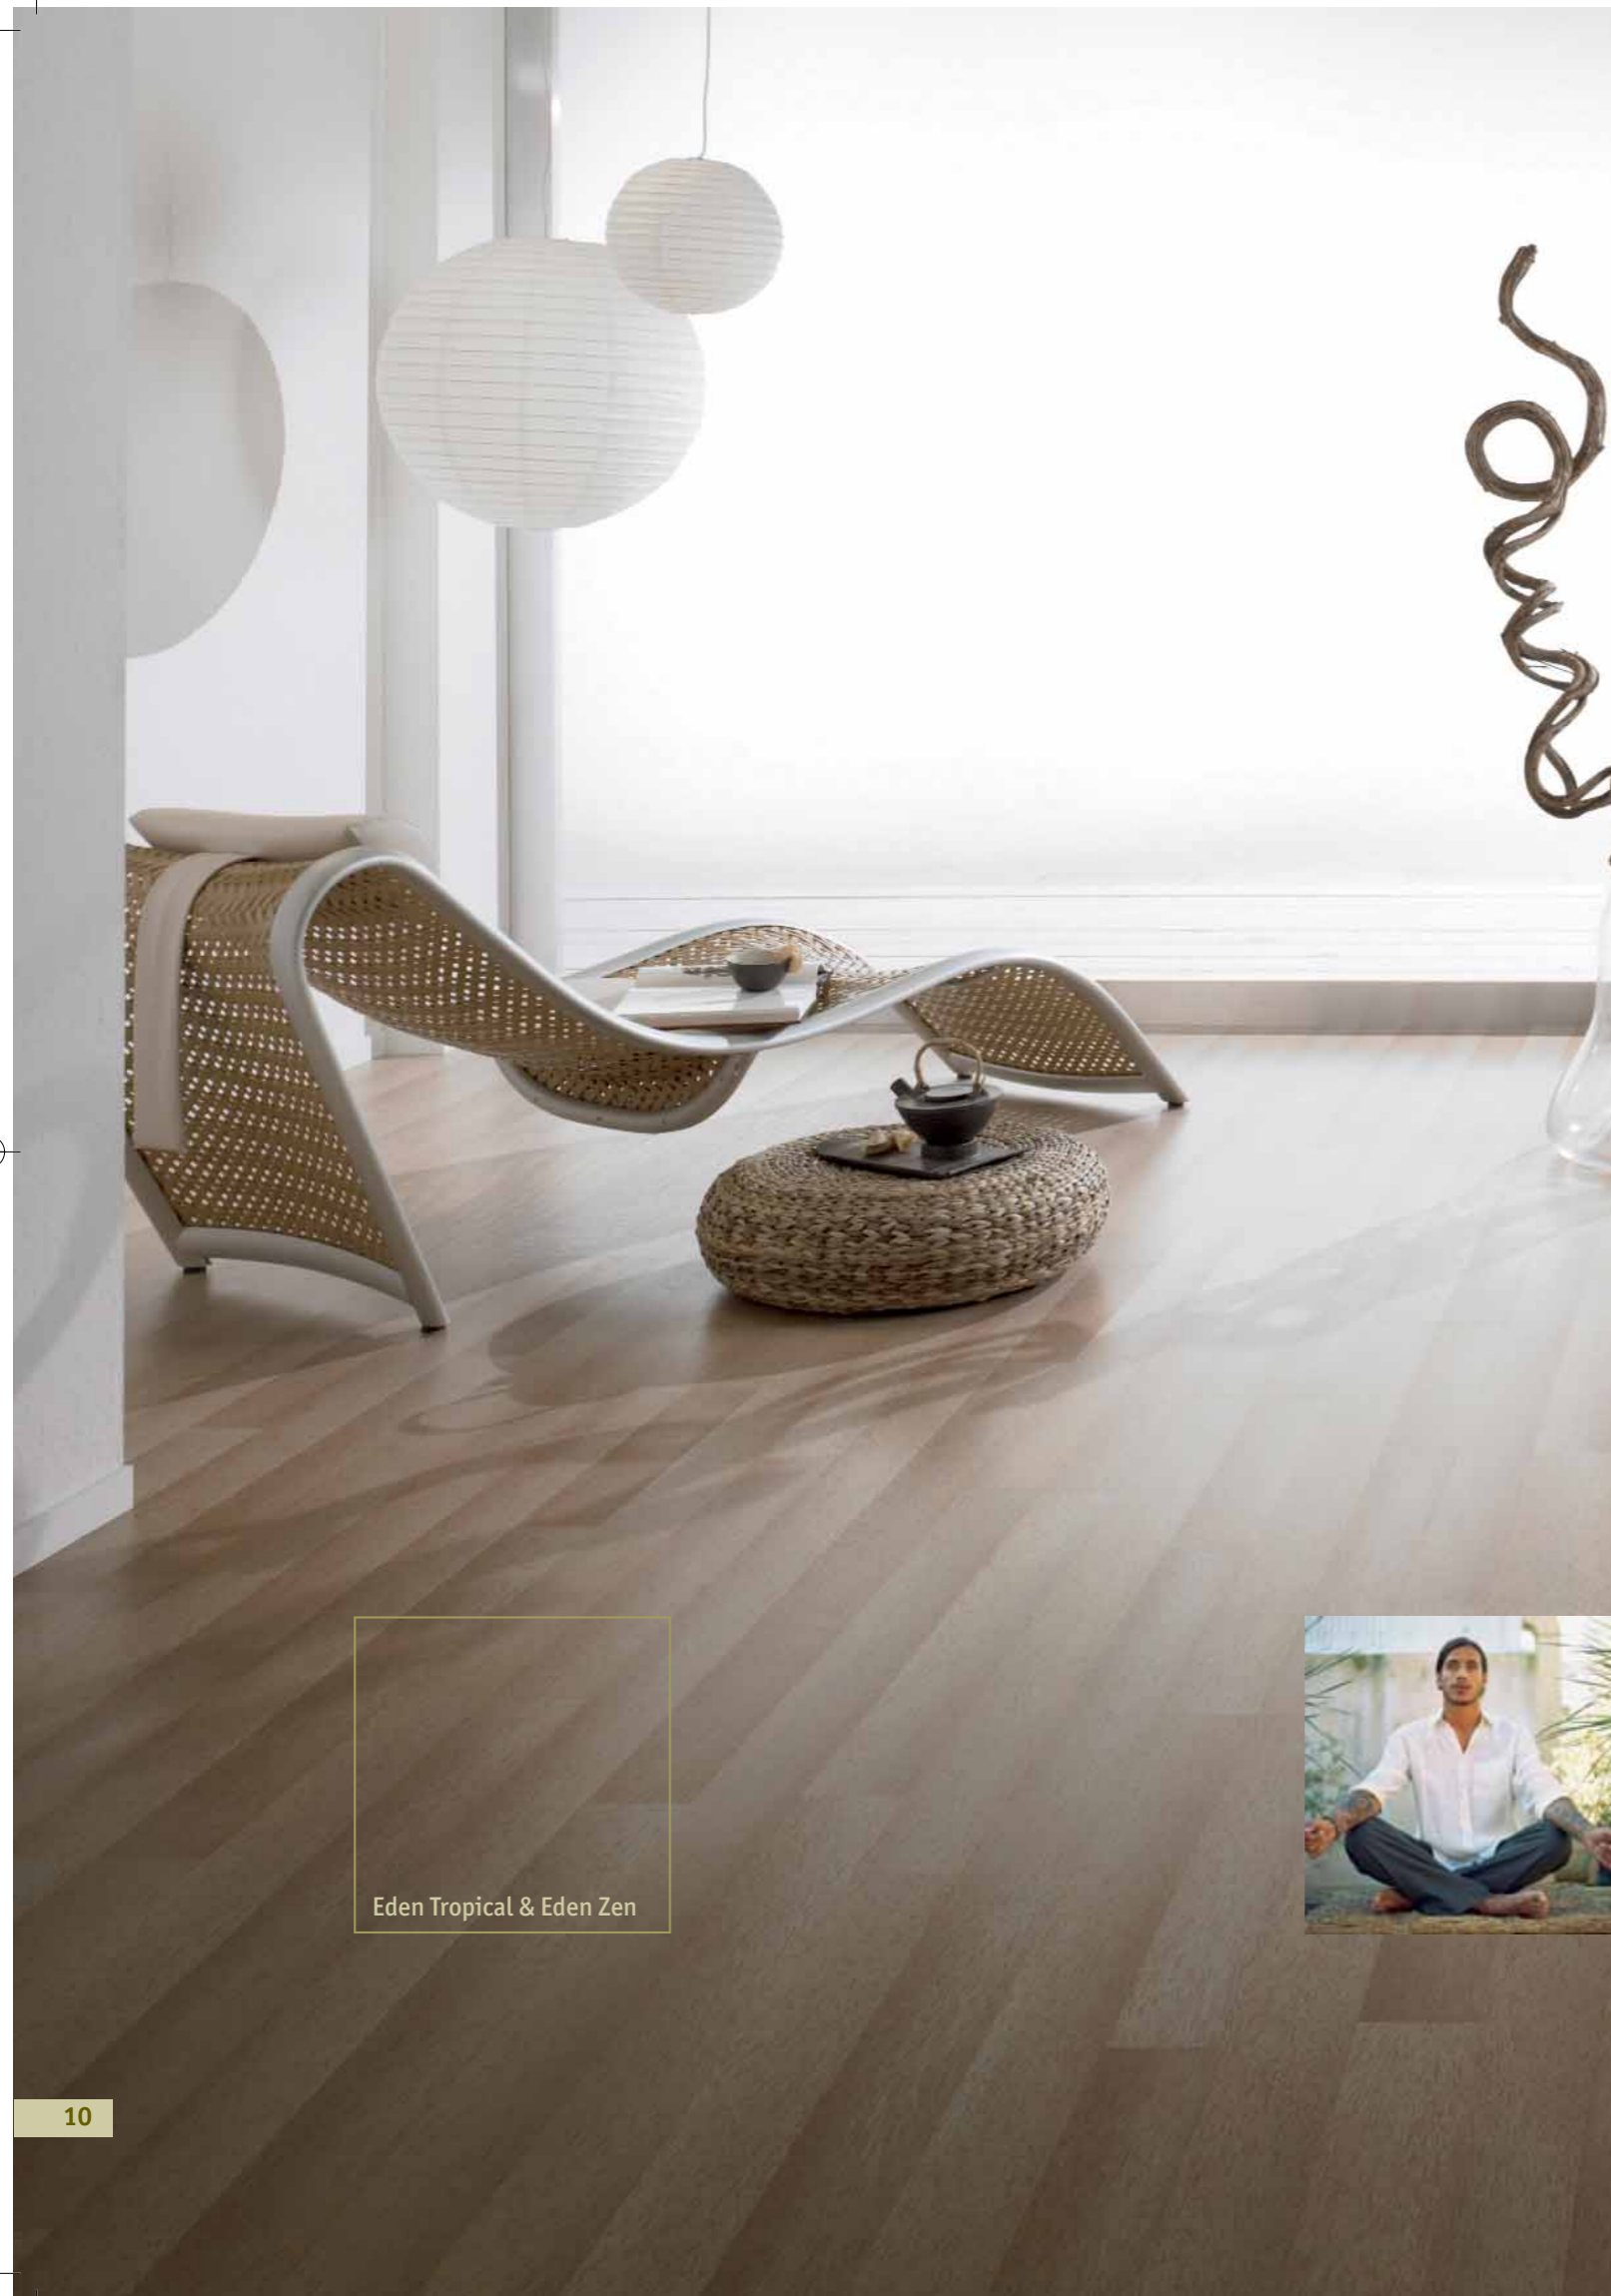

Everyone's natural desire for peacefulness prompted Tarkett® to brainstorm the genesis of a second Eden: **Eden SoundSafe.** With its eco-friendly properties & outstanding noise insulation performance, Eden SoundSafe by Tarkett® does try planting a subtle message one of improvement of quality of life with laminate. Safe for your ears, safe for the environment.

Eden Fruit'n'Flower

Eden Tropical & Eden Zen

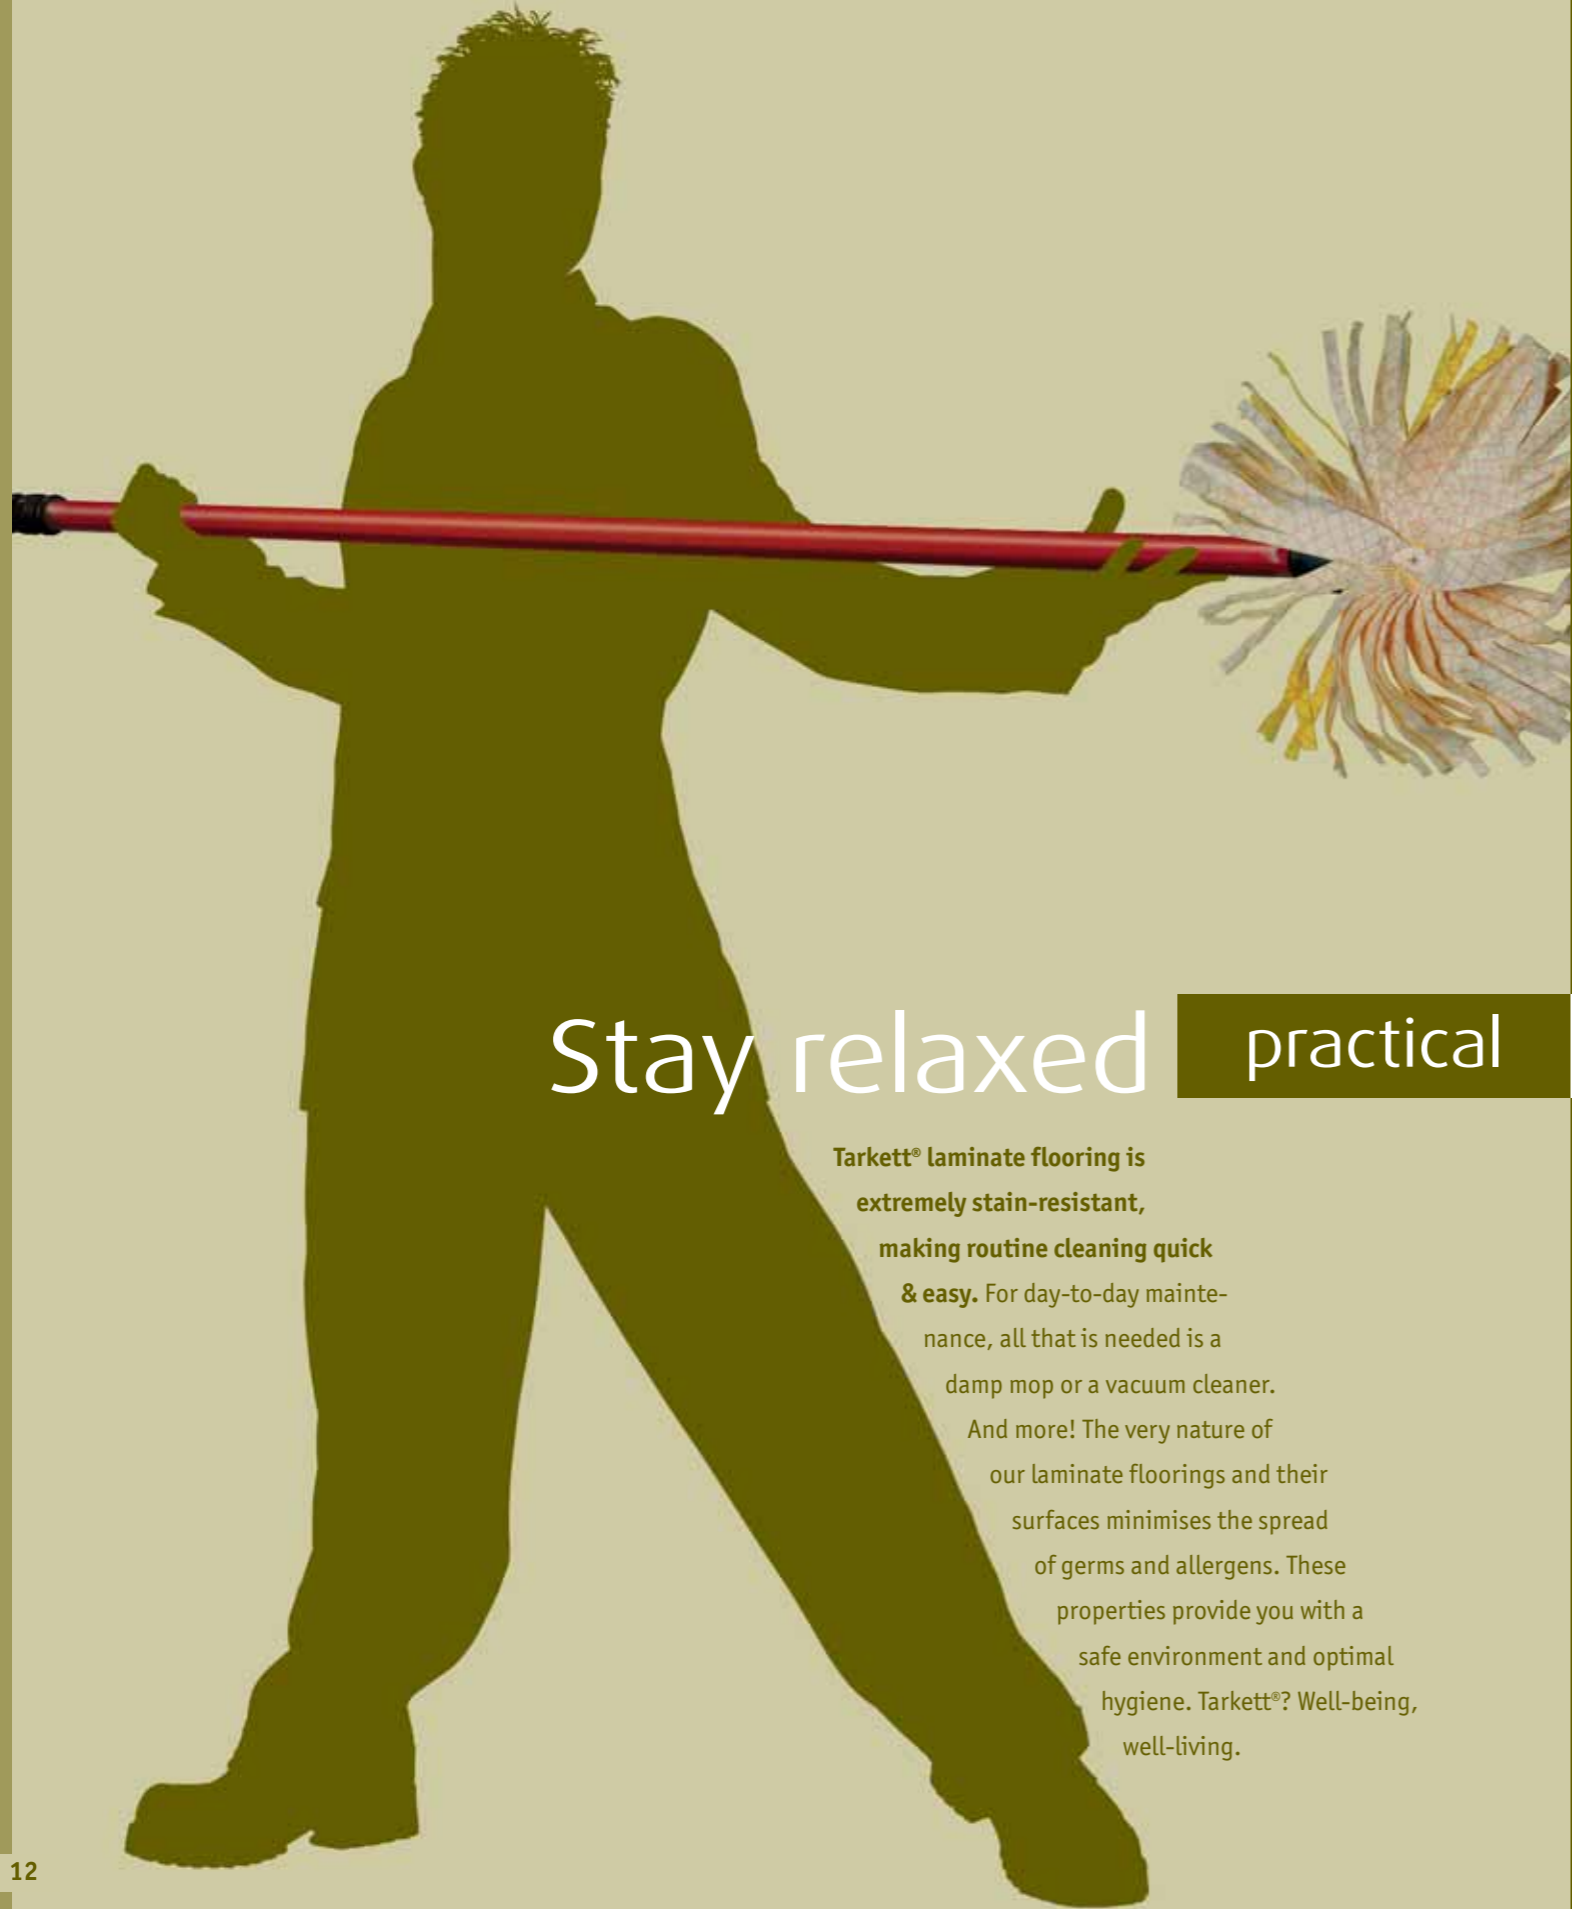

Coasting across **Eden Tropical & Zen** summons images of the exotic lands of the far Pacific. Trendy, design-first colours and unique styles will turn your home into something to be talked about. **Today and far into the future.**

Where conversations start

Stay relaxed

practical

simple

Take

it easy

Tarkett® laminate flooring is extremely stain-resistant, making routine cleaning quick & easy. For day-to-day maintenance, all that is needed is a damp mop or a vacuum cleaner. And more! The very nature of our laminate floorings and their surfaces minimises the spread of germs and allergens. These properties provide you with a safe environment and optimal hygiene. Tarkett®? Well-being, well-living.

Tarkett®'s X'traloc system lets you simply lay down the planks & click together. Anyone can do it. Anywhere. X'traLoc by Tarkett®, it's fast and it lasts!

World Beat sets rhythm. Tarkett® Ethnic sets the trend. With Ethnic Jungle and Madagascar, travel to faraway countries... at home. Grasp the spirit of untouched realms. Indulge yourself in fresh visual appeal and highly luminous textures. Nurture yourself from the inside out. From your home out.

Ethnic. Travel à la Carte!

With **Ethnic SoundSafe**, reconcile your search for pleasure and self-satisfaction with the principle of reality. Ethnic Jungle or Madagascar SoundSafe offers you an eco-friendly proven acoustic comfort at a time when it has become a priority to take a stand against noise. Focus on the whole you – mind, body and ethics.

Nurture yourself in Nature. Purely decorative and highly spirited, the Ethnic Jungle collection takes you far away with luminous textures, visual appeal and authentically marked wood styles. Define new trends!

Ethnic Jungle

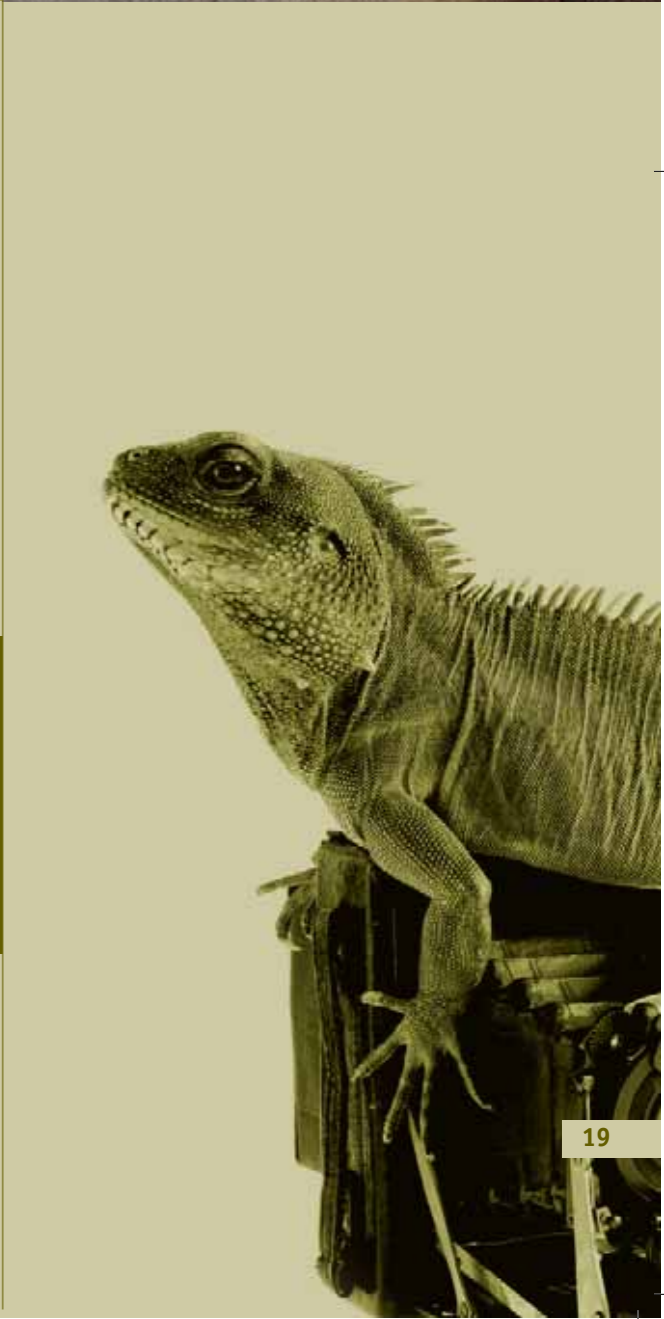

Ethnic Madagascar

Inspired by lush coastal areas, the Ethnic Madagascar collection is something to be felt. You'll want to saunter along barefoot to experience its authentic mix of hand-scraped and genuine wood finishes.

A whole new Horizon

Longing for an opportunity for serenity?
An improvement in quality of life? Welcome to the quiet world of Tarkett®'s acoustic solutions and listen to the sound of silence. Simply walk on your flooring and judge by your ears: Tarkett® acoustic floorings are up to 30% more silent than a standard flooring. Tarkett® takes a stand against noise, and proves that design, resistance and quietness can be brought together in a laminate flooring (tests and values according to EPLF 021029-3).

The sound of silence quiet

soundSAFE
acoustic

Tarkett® latest noise-absorbent under-layer made of eco-friendly cellulose fibres given an unprecedented treatment for unheard-of acoustic properties. 100% ecological, 100% degradable, 100% efficient. SoundSafe allows you comfort with ethics.

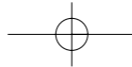

strong Demand for virtue

Kids playing throughout the house?
Let them build, colour, bang, run, jump & play. Even let your pet romp around to his heart's content! Tarkett® Laminate floors will bear up under your steps, and missteps, for a long time. **Tarkett®? No worries.**

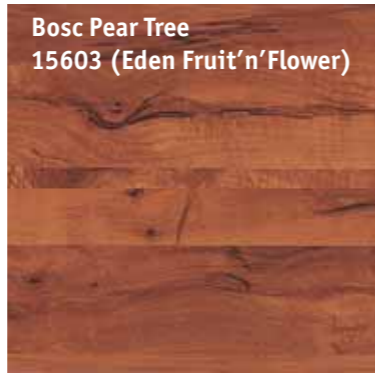

UltraBase +
Tarkett

Tarkett's promise for an HDF inner core of superior resistance to marks and dents, great homogeneity and stability, and a special reinforcement for high moisture resistance.
